

Wondering?

Have you got questions?
Everyone has questions.

Why are we here on earth?

Are we alone in the universe?

Is there any meaning to life?

What happens when we die?

One of the biggest
questions of all is:
Where do we go
to find answers?

Searching?

Are you searching
for something?
Everyone is searching
for something.

Happiness?

Security?

Assurance?

Love?

But what this world has to offer
often seems so fragile and shallow.
One of the biggest challenges
is finding something that
truly satisfies.

Looking?

Are you looking
for something?
Everyone is looking
for something.

Some are looking for a sale bargain
or a new job.

Some are looking for “Mr or
Mrs Right”.

Others are looking to make
sense of the world around us;
looking for truth; looking for
reality; looking for hope.
But are we looking in the
right place?

So...

Got you thinking?

Grace Church is more than a building, an organisation or a Sunday meeting. We are a group of very ordinary people who have been united by one life-changing discovery.

We don't propose to have it all together, but we do believe we've found something that makes sense of the world we live in, something that is true, something that provides solid answers to life's big questions, something that is real, something that truly satisfies, something that brings us hope.

That something is the good news of Jesus Christ.
